Article VI — Administration of Borough Program

§ 67-601 Contractors.

Borough Council is hereby authorized to contract for the performance of any or all of the services to be provided by the Borough under this Chapter, and to award a contract therefor from time to time for such period of time as shall be determined by Borough Council. Separate contracts *may*, but need not, be made for collectible municipal waste and for any or all collectible recyclable materials. Any such contract shall require the contractor to assume all responsibility for the collection of the collectible municipal waste and/or one or more collectible recyclable materials in the Borough of Alburdis in accordance with the provisions of this Chapter and regulations, orders, and specifications provided under the authority of this Chapter, and to transport and dispose of all such refuse beyond and outside the boundaries of the Borough of Alburdis. The contract may fix and regulate, in a manner not inconsistent with the terms of this Chapter, the manner, method, and time of collecting and transporting refuse, the type of equipment required for the purpose, the price to be paid for the performance of said contract, the time or times for the payment thereof, and any other matters germane to refuse collection, transportation, or disposition.

[Ord. 415 10-29-2003]

§ 67-602 Regulations.

To the extent not already governed by a current contract with a Contractor, the Borough Council shall have authority to make regulations concerning the days of collection, type and location of waste receptacles, and such other matters described in or relevant to this Chapter or which otherwise pertain to refuse collection, transportation, and disposition, as the Borough Council may deem advisable, *provided* that such regulations are not contrary to the provisions of this Chapter or any other Ordinance or Resolution. Borough Council may modify any of such regulations from time to time, subject to the terms of any current contract with a Contractor. The Borough Manager is hereby authorized to issue any temporary regulations under this Chapter which may be necessary, to be effective until the second regular meeting of Borough Council following the issuance of the temporary regulations, unless sooner rescinded by motion adopted by Borough Council.

§ 67-603 Supervision.

The collection, transportation, and disposal of collectible municipal waste in the Borough of Alburdis, and collectible recyclable materials presented for disposition by the Borough or its Contractor, shall be under the supervision of the Borough Manager. The Borough Manager shall periodically provide notice of the requirements of this Chapter and any regulations promulgated hereunder to the property owners, residents, and occupants of property in the Borough, in any manner deemed effective by the Borough Manager.
